### **MESSAGE NIGHTS** (1st Thursday of each month)

An evening of messages from the Spirit World brought by experienced mediums. We cannot guarantee a message for everyone attending. The medium will get to as many people as possible.

### **MINDFULNESS EVENING** (2nd Thursday of each month)

This evening we offer a self awareness / healing session and group meditation lead by one of the spiritual teachers from Lighthouse. You do not need to know how to meditate, it is a time of quieting the mind to allow your body to open to its greater self.
