This Month's Mini-Workshop

Oct 21- Mini-Workshop "Colour & Soul Readings" with Courtney Dawson

In this workshop we will look at the meanings of colour . Discover what "your" colours are. Knowing what your colours are will help you have a greater understanding of your own qualities. Not everyone sees auras but everyone can learn to "feel" the colours in the aura. Courtney will guide you through fun & practical exercises where you will explore "feeling" colours and intuiting their meanings by giving soul readings. Everyone can learn to work with colours. !
